CAREER OPPORTUNITIES

It's more than a job!

Why work for Tasman District Council?

With over 400 employees, we have the structure and processes of a large organisation, but the culture and feel of a smaller one.

Working here you get the best of both worlds.

We are a great organisation to work for, passionate about what we do, and full of people who want to make a positive difference in your community. You'll work with nationally and internationally recognised leaders in many different professions.

We have an attractive range of benefits including additional leave, birthday leave, health insurance, additional superannuation, social events, opportunities for professional development, and study support for gaining work related qualifications.
